It Will Be Corrected as to Wording and train for Rome. in Other Details and Will Then Be Submitted to Executive Comitte of Peace Conference.

Paris, March 27 (By the Associated the treaty of peace in regard to ports Press .- The league of nations commisunder international control." sion of the peace conference, with President Wilson in the chair, met for three hours last night and completed its consideration of the covenant of the league.

The covenant was referred to a draft ing committee, consisting of Colonel E M. House, representing the United States; Lord Robert Cecil, for Great Foreigners Full Publishers. Britain; Premier Venizelos of Greece, and Ferdinand Larnaude, dean of the Paris law faculty. This committee will go through the document, correct its wording where necessary, and refer it back to the commission as soon as possible, probably within two days, for consideration by the commission to become members of the league must before it is reported to the executive committee of the peace conference.

The covenant still contains 26 articles No amendment has been incorporated which specifically meets the desires of Japan for recognition of national equal-

## APPEAL SENT TO ALLIES.

To Stop Alleged Oppression of Greeks in Thrace by Bulgarians.

Saloniki, Wednesday, March 26.—An appeal begging the allies to stop alleged oppression of Greeks in Thrace by Bulgarians has been sent to President Wilson, Premiers Clemenceau, Lloyd George Venizelos and General Franchet d'Esperey, commander of allied forces in the near east, by Dr. Djiritis, president of the league of Greek refugees in Thrace an organization which claims 250, 000 members. The appeal alleges that only four pounds of food is provided each refugee per month, and that a systematic demolition of dwelling houses is being carried on by the Bulgarians through the country.

## PARIS-ORIENT RAILROAD

May Be in Operation By April 15-Will a Reuter's disputch from Paris. Avoid Central Empires.

Paris, Wednesday, March 26,—An offi-cial statement issued by the commission J. Kingsley Burnett Went on Stand in in the international regime of ports, waterways and railways to-night, says: "The commission on the international regime of ports, waterways and railways Burnett, manager of the Tri-State News met this afternoon at the ministry of bureau of Pittsburg and financial backer public works. ANOTHER DEFEAT FOR GERMANS IN FIELD OF TRADE

Their Hopes to Reconquer American Markets Blasted by Decision to Subject German Importations to Prosecution.

Washington, D. C., March 27,-German opes of reconquering American markets received another blow to-day. Users of dves, chemicals fertilizers and other products originated by German science were notified by the alien property custodian that importations from Germany hereafter would be subject to prosecu tion as infringement of patents licensed under the trading with the enemy act or use by American manufacturers.

Possibility of a dumping of great surplus stock which Germany was reported to have accumulated with the intention if underselling and perhaps stifling the infant American industries in the same lines thus has been blocked effectually before shipments could begin. Govern ment officials regarded the decision as of far reaching importance to business in

this country.

The decision was announced in a letter from Alien Property Custodian Garvan to Burwell S. Cutler, chief of the bureau of foreign and domestic commerce, which

"All of the German dye and chemical patents (and in this classification there are included allied subjects, such as metallurgy, fertilizers, fixation of nitrogen, seized by the alien property custodian and sold to the chemical foundation. The hemical foundation will use the patents to prevent interference with the American industries to which they relate by Germans after the war, by issuing nonexclusive licenses to American manufac urers and will also institute suits for infringements based upon the importation of goods of German manufactures. "It seems to me that it would be de irable to absorb the trade in the United States that the importation of German chemical products may result in infringement of patents owned by the chemical

pen to prosecu The chemical foundation mentioned by Mr. Garvan is an association of manu factures, incorported in Delaware by a capital stock of \$500,000, the voting stock being held by a voting trust composed of the members of the advisory sales committee of the alien property ents registered in this country by Gerwhich this country has been virtually dependent on Germany, hove been licensed for by Americans and new names substituted for the foreign designations, to make the industries more thoroughly American. The law provides a fixed compensation to the originator of the

"Part of this program will be put into plant While the alien property custodian's opinion did not touch on copyrights, which also come under his jurdisdiction, it was said informally that the same principle would apply. Several German owned operas and various scientific works have been licensed for production and publication in the United States.

# WILSON HAS PLAN FOR THE RHINE

Which He Hopes May Be a Basis for Agreement by Allies

ADRIATIC QUESTION STILL PUZZLES

In the Meantime the Allies Feel the Need of a Strong Policy

Paris, Wednesday, March 26 (By the Associated Press).—President Wilson's tudy was again the center of intense sterest to-day as he, with the premiers of Great Britain, France and Italy, re-sumed the efforts to settle the questions tanding in the way of peace.

No event of the peace conference has excited such interest and discussion as this action of the president and the premiers in taking affairs into their own hands, and while criticism and sarcasm are in evidence in some quarters, including the French Chamber of Deputies, still the prevailing view in conference ircles is that the time has arrived for the adoption of a strong policy assuring early and definite results. Previous to he gathering Premier Orlando spent an nour with Colonel E. M. House, talking over the question of the Adriatic which, with that of reparations and the Rhine frontier, are the three vital issues obstructing progress. The Italian premier then proceeded to the Paris "White where Premiers Lloyd George and Clemenceau were already with the
